

First Baptist Church of Tellico Village WEEKLY UPDATE

June 16, 2022

A Word from Your Interim Pastor

Today's message is centered on how God gives gifts to His people. Every person born again in God's Spirit is equipped with a gracious gift that is meant to be shared with others. Some gifts are in the form of abilities, others utilize talents, while still others focus on relationships with other people in terms of service. In the age of instant communication, impersonal connectivity and social distancing, some speculate that the days of interpersonal ministry may be numbered. Let's not forsake the assembling of our lives together in worship and service to the community around us. God gives gifts to communicate His love for all people. Who knows? You might be the only open Bible that some people are reading today. Happy Father's Day!

**Triumphant Quartet Concert August 7, 7:00 p.m.
Tickets \$15**

When Triumphant Quartet come out on the platform people are entertained by the musical variety, the engaging personalities and a bond that is brought together by years of friendship. People will find themselves smiling, laughing, crying, encouraged and uplifted. Most of all, they will walk away having had the Gospel Message presented to them in a powerful way, with a hope that many will receive Christ as their Lord and Savior. Jesus Christ is the focus of Triumphant. He is the reason they sing. These four gentlemen are faithful as always and steadfast and true in their goal of giving their very best in all they do.

Tickets go on sale this Sunday, June 19 in the Narthex. We will promote this concert in our church only through June 29th. At that time, we will make the whole community aware of this grand event.
